

Thanksgive-Away Drive

Saturday Nov 14th

10am-3pm

WHS Cafeteria

The fifth grade class at the Lincoln School and high school students from the Connect & Commit committee are hosting a fantastic drive for just about everything under the sun. Please take this opportunity to clean out your closets, garages, basements and attics to help us collect these important items for those in need. Everything that we collect will be sorted and delivered to about a dozen local charities in need of specific items.

Please contact Program Director, Kristen Ritchie with any questions.

781-721-7020x1999 or kritchie@winchester.k12.ma.us
